

Ordinance

BROOKINGS COUNTY, SD ORDINANCE 94-1

AN ORDINANCE AMENDING THE
ORDINANCE REGULATING THE DRAINAGE OF PONDS
SLOUGHS, AND LAKES OR ANY SERIES THEREOF

WHEREAS, the County has previously adopted an Ordinance Regulating the Drainage of Ponds, Sloughs, and Lakes or any Series thereof; and

WHEREAS, the County now desires to amend such Ordinance by adding a section thereto,

THEREFORE BE IT ORDAINED that Brookings County Ordinance 86-01, titled Ordinance Regulating the Drainage of Parks, Sloughs, and Lakes or any series thereof, be amended by adding a new subsection to Section 301 therein, as follows:

SECTION 301 PERMIT REQUIRED

10. A permit is required by the County or any township prior to replacing an existing culvert with a larger or smaller culvert or placing any culvert in an area where a culvert does not exist; provided, however, that nothing herein shall require either the County or any township to obtain a permit to replace an existing culvert in a road right-of-way with a culvert of the same water-flow capacity or extending such culvert; and nothing herein shall require a permit for the purpose of placing a culvert under a new driveway in a road right-of-way.

First Reading: April 5, 1994

Second Reading: April 19, 1994

Adopted this 19 day of April, 1994.

Chairman, Brookings County Board
of County Commissioners

ATTEST:

Brookings County Auditor
